

FOIN®

Established in 1862, Foin has been designing and manufacturing safety connectors for industrial use for over 20 years. Its classis oval and offset D screwgate CE marked EN 362 connectors are used wherever robust and reliable connectors are needed. The Foin connector range also includes twistlock and captive bar versions as well as the double action flat hooks typical of pole belts and work positioning lanyards.

D Double action Screwgate Oval Twisted fixed bar Twistlock
